COURT ORDERS EQUALITY AT MICHIGAN STATE
EAST LANSING, Mich., July 5.—(ANP)—That colored students at the Michigan State college must be accorded the same training and practice work as whites was the decision handed down by the State Board of Agriculture here Tuesday.

The decision was the result of a protest on the part of Oscar W. Baker, Bay City, Michigan attorney, who charged that colored students while accorded the same classroom work as whites in the teacher training courses they were not permitted to do the practice work in the East Lansing public schools because there are no colored people living here. Attorney Baker, who has a son enrolled at the institution, an outstanding athlete, brought the condition before the Board of Agriculture and solicited the support of the N. A. A. C. P. in his fight for equal opportunity.

Guardian Angel Waves Magic Wand, Now Fame, Fortune Await Singing Cinderella

NEW YORK, July 5.—(ANP)—No more dramatic occurrence has been smeared across the pages of fiction than that of last Sunday night when on Major Bowes Amateur Hour, the hopes and ambitions of a colored girl from Alabama took definite shape and promise that the future will hold more for her than cooking over the hot stove in the "white folks" kitchen.

Years ago, Otis Holley, was left to care for two younger children when her mother and father died. Otis was then eight years old and living in the backwoods of Alabama. But as she grew older, she turned her face northward to the city of promise, New York, and found refuge in Harlem.

She didn't know that her voice was a precious one as far as singing goes, but she knew that she could make high notes with ease and that singing was a favorite pastime with her.

So while she hunted a job, she forgot the singing, until in the sheer joy of landing a good job in the kitchen of Mrs. Pauline Gold of the Bronx, she broke into a burst of song.

The good fairy must have arranged the setting, for you must know that Mrs. Gold was a teacher of voice culture and piano, and a member of the R.K.O. theatres as a result.

A turn of the wheel of fortune, and from the cotton fields of Alabama comes another Golden Sixty-six, thrush to adulate to the already growing list of splendid voices belonging to the race.

When the ballots were counted it was discovered that the little girl who knew how to sing and sing for her own amusement had topped all others in the voting for first place and was assured of a concert engagement at one of the R.K.O. theatres as a result.

Maxie Miller's Love Answers
Mollie Mix Badly Mixed—Left First Husband for Nothing—Wants to Leave No. 2 and Go Back to No. 1—Little Grasshopper Very Likely Would Get Tired of No. 1, Again—Better Settle Down.

Maxie Miller: When I was 17 I got married. I left my husband because I was jealous. I am 22 and married again. Now I find I love my first husband in our hearts.

Mollie Mix: Your name fits your situation and I am afraid your mind is generally mixed and you don't know what you want. Better settle down and make something out of life. I advise you to remain with your husband since you have no cause to leave him. Maybe you'd be "jealous" again and make it hard for No. 1. I'd advise him to forget you and drive his ducks to a better market.

Little Grasshopper: You are a very likely fellow. You are a very likely fellow. You are a very likely fellow.

ST. LOUIS, July 5.—Mayor Bernard P. Dickson, of the city welcomed the delegates and visitors to the twenty-sixth annual conference of the National Association for the Advancement of Colored People Tuesday evening in the auditorium of Vashon High School.

In a short and straightforward speech he assured them that St. Louis was happy to entertain an association whose purpose was "to make 14,000,000 Americans economically, politically and socially free."

He outlined what St. Louis was trying to do for its colored citizens, stressing particularly the new hospital and nurses training school now under construction.

Henry D. Eppy, president of the St. Louis branch, welcomed the delegates on behalf of the colored citizens and the branch.

Delegates were present from 26 states and the District of Columbia.

Betty's Feather Sponge Cake
Method for making Betty's feather sponge cake:

Separate eggs. Put whites to one side and beat the yolks until very thick and light lemon color. Sift granulated sugar and add a little at a time, beating continually; add the grated rind and juice of one lemon, being careful not to grate in any of the white skin, add boiling water a little at a time and beat the batter until very light and fluffy, about ten minutes. Sift flour and baking powder and fold these dry ingredients in the batter; now beat up the egg whites and fold the whites in last, mixing them in well but do not beat. Pour batter in very thin layer into well greased and floured shallow baking dish. Sprinkle with powder sugar and put into a moderate oven at 385 degrees Fahrenheit. This cake will take about 25 minutes to bake and should be a very light golden brown on top and shrink slightly from the side of the pan. Allow to cool and break apart with forks into small pieces for serving. This sponge cake will keep moist and fresh for several days.

Makes one large sheet—24 servings.
