"HIS EXCELLENCY AND THE GENERALISSIMO"—could be the title of the scene above where a smiling General Franco greets new Liberian Ambassador D. J. D. Lawrence at presentation ceremonies in Madrid, Spain. Note high Spanish brass, attendant on General Franco at left. Critical position of Spain and American aid is cause of much Spanish acclaim for Liberia, which is closely allied with the U. S. Past and present Fascist policies, as well as position of Negroes in Spanish Morocco cause much criticism of the General in U. S. (News Press photo)
