

# Cole-Brown Family Reunion Registration | 2016

June 25-26, 2016

Greetings Family,

As Desmond Tutu once famously said, "You don't choose your family. They are a God's gift to you, as you are to them". For some of us, the magic of this experience comes only a few times in a year. We grow up together in close knit families, and as kids there's nothing to stop us, from being with them. As we begin the demands of life, moving away becomes inevitable. It is only at reunions then, that families get the opportunity to relive those incredible moments of pure love and happiness and catch up on life.

Please join us for our 2016 Family Reunion in Saint Louis, MO. We know the notice is short but there is no time like the present. Please come and get to know the history of your family and family members.

This year marks the 50<sup>th</sup> Anniversary of Cole-Brown Day. Over the last 50 years the Cole-Brown family has made many trips to Kenton, TN to celebrate the lives of our ancestors buried there. We are asking our family to make a contribution to the St. Paul Church in observance of our milestone anniversary. St. Paul is where Papa Will and Mama Sophie served as Deacon & Deaconess. To honor their memory and the support we have received over the last 50 Years, we would like to ask for donations of no less than \$20. We would like to present St. Paul with a very substantial check for their support. St. Paul has been good to the Cole Family throughout the years, let's be good to them and make a sizeable donation for their support. And of course, please plan to attend the services at St. Paul in Kenton this year.

Mail donations with a separate check payable to Rossom Cemetery Fund c/o Darlene Miller 201 Eldridge Ave, Saint Louis MO 63119. If you do not want to mail your donation separately to Darlene please include the check payable to the Rossom Cemetery Fund with your reunion fees or bring your donation with you to Kenton.
