

Dear Mr. Moore,

I thank you so much for sending Programs of Mrs. Willie J. Moore's funeral service. I carried some of them to the Church for other members to have if they wanted one. I kept one for myself and I kept one to keep in the Church records.

You all have my sympathy & love. I know you will miss her, she was a great lady. She helped me out so much in dealing with the Sunday School, Church, Programs and most anything she thought would help me. Also our Church history.

Thanks Again
Love
Sarah Skinner
