MINUTES & HI-LIGHTS OF
THE 294TH PORT COMPANY WWII
SPRINGFIELD MA 1994

The members of the 294th Port Company ^{met} in Springfield MA on July 15, 16, and 17, 1994, with Ms Jacque Williams hosting for her late husband Comrade Matthew Williams. Comrade Williams made a special request that this be done, knowing that he would not be with us.

All comrades had a very nice time, that is a bit too mild, we had a grand time, every thing was fantastic, tho we were still deeply saddened by the absence of our Comrade Matthew. Jacque and family made sure that everything went over first class, right down to the barbeque, and for all of this we were truly grateful.

Our meeting on Friday opened with:

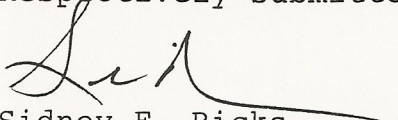

1. Prayer by Comrade Norman Anderson.
2. A Special moment of silence was held for deceased Comrades Matthew Williams and Jesse Cotton and for the wife of Comrade Edwards.
3. Comrade Madden spoke of his regrets for not being able to attend the Hampton meeting.
4. A discussion, for the second time, on a better method of re-imbusement to the host but no final action was taken.
5. A decision that the Hosts for the 1995 meeting will be Comrade and Mrs. Joseph Brooks on July 14, 15, 16, 1995.
