

**We,** the people who love him a lot, in order to let him do what comes naturally, do hereby grant a wonderful grandpa this bill of rights.

Inasmuch as he'd do it anyway, and seeing how he does it better than anyone, *Robert J. Edwards*, a much-loved GRANDPA, is officially entitled to the following:

\* **AUTHORIZATION** to brag about, show photos (and/or home movies) of, display artwork by or tell cute anecdotes about said grandkid(s).

\* **PERMISSION**, at his discretion, to veto laws regarding bedtimes, scary movies and green vegetable consumption.

\* **FREE REIN** to shower grandkid(s) with wonderful stories, hugs and kisses, and to make said grandkid(s) feel lucky to have such a great guy for a Grandpa.
