Hi Mr. Moore,

I will have our central services teams gather this information for you. CFI 27 and CFI 84 both operated as non-CFI schools for a portion of the time you have requested; are you seeking data from these schools' non-CFI years as well?

Thanks,

Kristin

Hi John,

Thanks for the clarification. I'll get our teams on it and let you know what the timeline looks like as they estimate the scope of the work.

Have a great afternoon!

-Kristin

Hi Kristin,

I'm wondering if you have a timeline for when a reply to my data request will be available? I've been off the grid for a few weeks, so if I've missed your phone message; my apologies. Please provide me with an update as soon as you can.

Regards,
-John

Hi Kristin,

I'm not sure if I answered this earlier or not. But yes, I need to have data for the entire time period even if the schools were not designated as CFI schools. Give the time that has gone by on this request, I am proceeding with lesser quality data, and would like to have the data only you can provide as soon as possible.

Regards,
-John
