MESSAGE FROM OUR PASTOR

Rev. Dr. Philip K. James
Pastor

June 18, 1999

Grace, mercy, and peace from God our Father and Jesus Christ our Lord be upon you. In keeping with the mission to develop a more nurturing, caring, community of believers here at Mount Zion, it is needful to provide an instrument that will facilitate our knowing one another. This pictorial directory greatly assists us in this process. It provides the ability to place names with faces. It provides a contact number and address for the membership. Being able to reach out and touch one another beyond the sanctuary of the Sunday morning worship experience enhances the ability to be that nurturing, caring, community of believers God is calling us to be. I am grateful to Sis. Diane Marshall and her committee for overseeing this effort.

1999 commemorates the 130th year Mount Zion has touched lives for God. As we enter a new millennium and turn the page of a new chapter, my prayer is that each of you would endeavor to stretch beyond your breakpoint, your comfort level, in service to God and in expressions of compassionate care and concern for one another. Remember the Apostle Paul's admonition to the church: "...Be steadfast, unmovable, always abounding in the work of the Lord, forasmuch as you know that your labor is not in vain in the Lord." (1 Cor. 15:58)

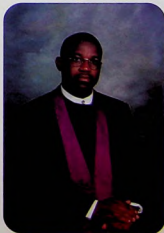

Grace and Peace,

A handwritten signature in black ink, which appears to read "Philip K. James".

Crown Hill Funeral Home
Why? "Because We Care"

MEMORIES – They are some of the most powerful images of life

- Throwing your hat into the air on graduation day...
- Walking arm – in – arm down that long aisle at your wedding...
- Trembling hands when you sat down to buy your first home...
- Or the simple joy of watching you grandchildren play in the sunshine...

Memories can also bring healing and reassurance when you face difficult times... such as saying "Goodbye" to a loved one. Crown Hill Funeral Home wants to help you make that time less stressful and more meaningful.

Entrust your funeral or that of a loved one to a firm that's been community-owned for over 135 years and you'll never worry. Our trained professionals will guide you in creating a very personalized funeral that holds special meaning for you, your family and friends. We understand the comfort of a truly meaningful service.
