—Lilbert Young, 4B

Girls and boys like to play with me. Sometimes I am rubber. Children bounce me up and down. I am all colors. I am round like an orange. What am I?

—Alice Curry, 4B

I am something that girls like to play. I can make music. I have black and white keys. What am I?

—Ruth Phillips, 4B

I am wood. I have steel runners. I slide on ice in the winter. Children like to slide on me.

—Langford Webb, 4B

These riddles were written by pupils during English time in Mrs. Langford's room.

HOW TO BEHAVE IN A LIBRARY

I had some leisure time so I thought I would spend it at the library. I found an interesting book and settled down to read. Two little boys nearby began laughing and playing. It was very disturbing.

Whenever one is in the library he should be as quiet as possible for the sake of others. If you have to move around do it quietly. When your books are about to be stamped wait your turn. After the librarian has stamped them thank her politely.
