Appreciation

In 1950 when I entered high school things were very different.

We had passed the Standard Achievement and had excellent grades we had to take an additional test to be accepted to this high school. After having to measure the distance from home to school we were accepted.

A group of us decided we would start a club. Our club was The NBG club which stood for Nothing But Girls. It was set up similar to a Sorority without any initiation. Our was active for 12years.

We had bylaws and conducted meetings once a month. Officers were elected for one year. The parliamentarian used Robert's Rules. We had many professional people talk with us educational opportunities and alternatives to four year colleges. We held meetings in our homes.

We mentored the elementary school Camp Fire Girls also served a camp counselors at summer camp in Flat Rock, Indiana. We volunteered at our Churches. Each November we would fill Thanksgiving baskets. We sold candy, dinners and had bake sales.

We had parties. One of our members designed a lapel pin with NBG we had this made at a local jewelry store. We had a Sweetheart Ball with live music.

Looking back our club was good for us at that time.

Musical Marks Seven Years Of Activities For Popular NBGs

Members and friends of the popular NBG club enjoyed a musical afternoon Sunday, October 13, at the home of the Federation of Associated Clubs, Inc., in recognition of the club's seven years of existence. The members were uniform in white and blue princess-styled taffeta print dresses with contrasting corsages of blue and white carnations.

While the members looked very stunning, the refreshment table was equally attractive with the cake forming the centerpiece inscribed "Seventh Anniversary of the NBG Club." on each side of the cake was a tapering candle, and surrounding it were dainty cookies, peanuts and candies.

Among the talented participants were the little Misses Lillie M. Barnett and Regina Johnson, Miss Wilma Batie and Messrs. Everett Green, Curtis Jackson and Ralph Harris, student at Butler Univer-

sity.

Special guests were Choraleers, group of men and women from the Capitol Avenue Seventh Day Adventist Church.

Miss Luvenia Boatright was master of ceremonies, and serving as guest pianist was Miss Ruth Winters.

Members of the young women's club are Mesdames Marlene Dinwiddie, Betty Harris, Roberta Hutchinson, Shirley Posley, Ada Robinson and Rosemary Stanley and the Misses Luvenia Boatright, Louise Collins, Elmira Lawson, Helen Madden, **Sophie Moore**, Pearl Robinson, Gail Tanner and Agnes Garrett.
