Greetings Butler Family Stories Project Participants,

Hope this note finds all of you doing well. Hopefully you have all received a draft of your Family Stories from your Butler students. Remember, these are your stories so if you want to delete, add or rearrange you can!

A gentle reminder to make your edits to the document and return to your students no later than Thursday, April 9. Please contact Tom Mould tmould@butler.edu if you have any questions regarding what you need to do with your edits.

Again, thank you for being part of this exciting project and supporting Butler students!

Kind regards,

Ann
